

Okay, over to Brian for his remarks, starting on slide 4

Brian Vaasjo

Thanks, Randy, and good morning 2022 was an excellent year in delivering on our strategic objectives. We exceeded our \$500 million committed capital for growth target in 2022 through the acquisition of the Midland Cogen facility with our joint venture partner, Manulife Investment Management.

We also added 116 megawatts in renewables with a COD of Clydesdale Solar and Strathmore Solar. We announced that it
